

First Grade Families,

Thank you so much for your patience and continued effort during this time. We have put together a plan for this upcoming week that includes daily activities for you and your child to engage with. There is a combination of skills and activities for your students to complete. This is a suggested guide based on the first grade standards and CPS. These assignments are not graded and do not have any due dates. However, we strongly encourage each student to work on the suggested activities each day. Please log into edmodo (LINK with directions below) to communicate with us daily. We will respond to posts of student work from 9:30-11:00 a.m. and again from 1-2:30 p.m.. Please email us at any time and we will respond quickly. If you would like an immediate response to your email please email during the office hours of 12-1 p.m.
